**** Intro ****

So many times I wondered why I was alive

**** Verse 1 ****

And could it be someone unseen watched over me

Then I heard Your voice calling out my name

**** Pre-Chorus ****

I was far from home and I'd lost my way

Then you left behind Your ninety nine and You came

I was so lost, I was not free

**** Chorus ****

Until Your unfailing love rescued me

Breaking the power of sin and the grave that held me in chains

You paid the cost, stood in the place

Where I should have been were it not for Your grace

Forever secure, my heart is all Yours and pours out Your praise

I know Your goodness and love will follow me all of my days (PS 23:6)

Now in Your hand, just as You planned, never to move

**** Verse 2 ****

No power, no man, there's nothing that can keep me from You ... since —> Pre-Chorus

In You I have all that I need

**** Bridge ****

With You here beside me I'll go where You lead

From waters of stillness, to valleys of darkness You're with me (repeat 1st 3 lines)

And I will not fear, (NO) I will not fear
